

The Man who Fucked God

A sketch by Garrett Buss

ACT ONEscene one

Two men are standing onstage holding red solo cups lightly dancing, they're at a party and having a pretty good time

TONY

Man this is a cool party

JIMOTHY

You can say that again

TONY

Did you hear about that thing Jessica did?

JIMOTHY

Tall Jessica or Puerto Rican Jessica?

TONY

Paraplegic Jessica.

JIMOTHY

Oh, yeah I totally heard about that, she is nuts!

TONY

Aint that the truth.

They just kind of look around in silence, still lightly dancing

JIMOTHY

Man this sounds shitty but I'm glad Alan didn't come to this party

TONY

Yeah I know what you mean, he can be pretty annoying

JIMOTHY

Like... I used to be good pals with the guy, but ever since that time He fucked God, that's like all he ever talks about

TONY

Yeah, it's like "We get it, you fucked god, you don't have to bring it up every time we see each other"

JIMOTHY

Seriously

(CONTINUED)

TONY

And believe me, when he first told me the story I was like, "Woah Alan, that's crazy" but that was like two years ago and he still hasn't moved on

JIMOTHY

It's irritating

TONY

Yeah it is

JIMOTHY

Yeah

They pause in silence for a small period of time again

JIMOTHY

So did you hear about that thing that Greg said to Tiffany?

TONY

Asian Greg or Lacross Greg?

JIMOTHY

Jewish Greg

TONY

Ah, okay. And which Tiffany-

Another guy walks onstage, he talks too loudly and only ever looks up to the sky like he's shocked and traumatized

ALAN

HEY GUYS

TONY

Sigh Hey Alan

JIMOTHY

How's it going Alan

ALAN

Oh, not much, wacha guys up to?

TONY

We were talking about Gre-

ALAN

Cool, hey did I ever tell you guys about that time I fucked God?

(CONTINUED)

JIMOTHY

Sigh Yeah Alan, you brought it up before

ALAN

Well it was insane. I was wrapped in a ball of light. It was like seeing the pure stream of all that ever was and will be, and then having sex with it.

TONY

Great story Alan, now anyways-

ALAN

In God's eyes I could see every atom fusing with one another, whole civilizations made to ruin as far as the eye could see, It was like the world of nightmares and dreams had collided and formed a rift in consciousness, all while I was shaggin the allmighty

JIMOTHY

Okay Alan-

ALAN

I jumped into this trapazoid made out of sound, that was one of the many orfices God presented me with, I just plunged into it. God was the most beautiful thing I had seen, and the most haunting.

JIMOTHY

Yeah well-

ALAN

I could see my own soul looking into my eyes, and it was crying, and then every electron sparked up and forged another universe right before I *splooge*

TONY

Alan please-

ALAN

I saw every possible dimension split in two, across a celestial plain, and I was boning the shit out of it.

JIMOTHY

Alan!

ALAN

What?

JIMOTHY

Can you please stop talking about the time you fucked god? we've heard this shitty story a hundred times, just talk about something else, we DON'T CARE!!

TONY

WE DON'T!!

ALAN

Oh... you.. you mean you guys... hate my story?

Alan starts to lightly sob

TONY

Uh, Alan look we didn't mean to hurt you-

ALAN

I mean I know that I don't have the best stories around, hell, nothing ever seems to happen to ol Alan. But just once I thought had a good story and I'm sorry that I got overly excited about it... I understand that you guys probably think I'm a total asshole

JIMOTHY

Alan we don't think yo-

ALAN

I guess everybody around here hates me because I just can't keep my mouth shut about that time I fucked god. Believe me, I know what people say about me, that I'm annoying, that I'm a loser, that I'm super boring....

TONY

We don't think you're a loser Alan

ALAN

You don't?

JIMOTHY

No, man ,I'm sorry that we yelled at you. that was a shitty thing to do

TONY

Yeah, and you are'nt annoying, just.. do you have any other stories you can think of telling?

ALAN

Shy-ly Uhhh, I don't know, this funny thing happened at work last week

TONY

That sounds great! What happened?

ALAN

Well, I was sitting at my desk, then I went to go sharpen my pencil... **stifled laughing** but then I realised **giggle giggle** that I was using a pen!! **laughs abunch**

JIMOTHY

This story is terrrible

TONY

shhh at least it isn't about god

ALAN

Hahahah *wipes sweat off his brow* whooie, man. I liked telling a different story, it felt great to actually move on and get past th-

Lexi walks on stage with sunglasses, points finger guns at Alan

LEXI

Hey Alan, did I hear that you fucked god?

ALAN

Oh did I!
