

Zoom Comedy: The Escape

ZOOM SHOW STARTS:

GARRETT

Hey guys, how's it going? Welcome to your final feature of the night. I'm Garrett Buss, and honestly - it's been tough to write stand up recently. I want you guys to get your money's worth so I thought I'd just play a video of my FPIA set from last year, since I know that was good. I have some popcorn here, so I'll watch along too.

He sets up the video and hits play/starts eating popcorn and occasionally laughs at the video.

At some point in the first 30 seconds, the webcam is covered up and everything cuts to black.

GARRETT (CONT'D)

What's that? Everything's dark in here - I think the power went out.

JAMES

Garrett? Are you in here?

GARRETT

James, my roommate! Do you know why the lights all turned off?

JAMES

No clue, I thought you'd have an idea.

BANG BANG BANG on the door sfx

POLICE CHIEF

This is the police! We have your building surrounded. Come out with your hands up or else we're coming in there!

JAMES

Oh shit man, it's the fuzz

GARRETT

We gotta get out of here, quick.

JAMES

Don't we have a trapdoor to our secret underground garage?

GARRETT

Great idea james, let's go - I'm gonna bring my laptop along with me.

JAMES

Just hurry man, they're breaking down the door!

Swat team forces kick down the door and charge into the room yelling, trapdoor sfx

GARRETT

We made it!

JAMES

Wow, I forgot how cool and incredibly expensive your car is!

GARRETT

Thanks, it's beautiful, and really fast.

JAMES

Lets get in!

GARRETT

Not too fast buddy, let's bring our arsenal of weapons along with us!

JAMES

Of course, I've got all of our guns and bombs in this bag

GARRETT

Let's hit the road.

Tires squeel, chase sfx

JAMES

This car chase is incredible! There must be 60 cars after us

GARRETT

I know, this really needs to be seen to be believed.

JAMES

What do the cops want with us, anyway?

GARRETT

I don't know, maybe it's all that black tar heroin I smuggled into the country.

JAMES

Maybe it's because I broke El Chapo out of jail.

GARRETT

We've both committed so many crimes, it's hard to tell!

JAMES

Let's just focus on getting these guys off our back - hand me the machine gun

GARRETT

Here ya go

JAMES

Can you pass that shotgun?

GARRETT

Of course.

JAMES

I need the flamethrower!

GARRETT

Say no more

JAMES

Oh no, they have tanks

GARRETT

And a helicopter

JAMES

We're surrounded on all sides, and all of our guns are out of ammo! what are we going to do?

GARRETT

The only thing we can do. Hey james, do you remember that big red button I told you never to push?

JAMES

You mean this one right next to my hand?

GARRETT

Exactly. I think it's time we give
it a push.

JAMES

If you say so

High tech power up sfx

Countdown sfx

Explosion sfx

Silence.

POLICE CHIEF

Oh my god, their car just exploded.
They're dead, well fellas - let's
pack it up and move on out.

Drive away sfx

JAMES

Are they gone?

GARRETT

Yeah, we faked our death perfectly

JAMES

It works every time

GARRETT

Heh, I'm getting too old for this
shit.

"Don't you forget about me" plays

Fades to silence.
